

745 LOCK

The power of attraction

elnaaustralasia.com

745^{LOCK}

1 **TILTING NEEDLE CLAMP**

An exclusive feature - tilt up the needle clamp to easily remove and insert needles without dropping them into the machine.

2 **PROGRAM DISPLAY PANEL**

Select a stitch and the tensions are automatically set. At the same time, see a condensed version of the instruction manual.

3 **2-THREAD CONVERTER**

Eliminate the upper looper thread for 2 thread rolled hems, flatlocking or stretch wrapped. It's built-in so there's nothing to misplace.

4 **INSTANT ROLLED HEM**

No need to change the plate. Simply flip the lever and you're ready to sew beautiful rolled hems.

5 **DIFFERENTIAL FEED AND STITCH LENGTH SETTINGS**

Easy to set and read dials, conveniently located right on the front of the machine.

6 **WASTE TRAY**

Helps keep your sewing area tidy - it catches those loose scraps and trimmed threads.

7 **5 THREAD**

For stable and durable finished seams - the industry standard.
